The Chin National Front Regional Committee (RC) successfully held its first Conference in Esbjerg, Denmark from July 31-August 1, 2015. 42 Regional Committee representatives from 9 countries attended the conference.

The Conference reviewed, analyzed and approved the report of each Regional Committee; reviewed the RC by-laws, discussed the current political situations of Burma and analyzed workplans for CNF.

The Conference resolved to continue its all-out support to CNF until democracy, federalism and self-determination are fully achieved.

The Conference resolved to include all the Chins who reside in developed countries to become members of Chinland Club so that the armed struggle of the Chin National Front is strengthened. Therefore, the Chin Churches, Youth, Women, and other societal organizations are urged to support the Chin National Front.

The Conference shared its deepest sympathy to the Chin peoples who suffer the ongoing natural disaster and internally displaced persons and urge all Chins across the globe to seriously provide the needed assistance.

The Conference decided to hold its second Regional Committee Conference in Sweden from July 27 to July 29, 2017.
