**Statement issued from the emergency meeting of peace process
steering team**

January 12, 2018

The following decisions are made in the emergency meeting of Peace Process Steering Team, held from 11-12 January 2018 in Chiang Mai, Thailand, of Nationwide Ceasefire Agreement-Signatories Ethnic Armed Organization.

1. Union Peace Conference-21st Century Panglong (third session) shall be proceeded only after the implementation of political dialogue process at different levels.
2. Negotiated settlement shall be carried out with responsible persons of Union government in regards to obstruction and disregard of public consultations and national-level political dialogues which are to take place under NCA implementation process.
3. Informal discussions shall be held with the parties to discuss regarding the immediate implementation of the remaining processes in order to effectively and successfully hold Union Peace Conference-21st Century Panglong (Third Session).
4. Further discussion shall take place, due to ongoing difficulties in the successful implementation of NCA, in relation to the differences of basic understandings for the achievement of the objectives of signing NCA.
