Statement of the Third Meeting of the Central Committee, Eighth Party Conference Term March 15, 2025

1. The third meeting of the Central Committee of the Chin National Front (CNF), Eighth Party Conference Term, was held from March 12 to 15, 2025 at Victoria Base, the General Headquarters of the CNF. A total of 50 Central Committee members, including patrons and advisors, attended the meeting and formulated military, political, strategic, policy, and future action plans.
2. The Chin National Front warmly welcomes the unification efforts and process between the Chinland Council and the Interim Chin National Consultative Council/Chin Brotherhood (ICNCC/CB) on February 26, 2025. The Chin National Front will work together with respective organizations and groups for the unity of Chin revolutionary forces based on the Chin nationalism.
3. The Chin National Front respects and honors the Chin people who have steadfastly resisted the illegal coup of the terrorist military for four years of the People's Revolution, through the Civil Disobedience Movement (CDM) and various other means, with sacrifice and struggle. The Chin National Front will fight to the end until the goal of ending the military dictatorship and building a federal union is achieved.
4. The Chin National Front earnestly urges and call upon all Chin people, being the backbone of the Chin national revolution, to stand with us in Chin national and state buildings, and to participate and fight with resource, physical, and intellectual strength.
